

Looking for the perfect gift for your child?

Gift of Israel is an interest-bearing savings incentive plan that will help fund your child's organized teen peer group trip to Israel. Not only does the plan earn interest—the Jewish Federation of Greater Houston will set aside additional funds for your child each year.

All it takes is a minimum annual deposit of just \$150. Anyone can make contributions to your child's account—friends and family, too.

If your child is currently in the 3rd through 7th grade, the time to enroll is NOW. For more information, call (713) 729-7000—or register your child online via the Federation's website at www.houstonjewish.org/programsforteens.asp.
