Abracadabra - Is really Jewish Magic!

From the first magician, the Creator, through Moses until this very day, magic is part of our cumulative Jewish History. What is real and what is magic? Is what we assume to be nature, in fact supernatural? Find out how the Hebrew letters reveal secrets beyond what you see at first glance. Beyond the artistic beauty of their shapes, woven into these Hebrew letters are deep and inspirational meanings that provide lessons and guidance for living. But then, would you expect anything less from G-dly letters? **Rabbi Moshe Druin** was born in New York and his family made Aliyah when he was six. He has been through the three main streams of Judaism and has studied in Yeshivot of diverse affiliations in Israel. He was ordained as a Rabbi and Scribe in New York, where he met his wife Ahuva.
