

PASSOVER 2011

Getting ready for the holiday

The Torah prohibits the ownership of hametz during Pesah. Ridding oneself of hametz is a three-step process:

1. **MECHIRAT HAMETZ (SELLING OF HAMETZ)** can be arranged anytime up until 10 A.M., Monday, April 18, 2011. The hametz is sold via the Rabbi to a non-Jew in a valid and legal transfer of ownership. At the end of the holiday, the Rabbi arranges for the reversion of ownership. Any hametz that is “sold” must be stored out of sight (and of course, not used), since it technically now “belongs” to the person who bought it. Mechirat Hametz can be arranged through the Greenfield Chapel, by calling Rabbi Rosen’s office, or by mailing-in the following coupon:

“I hereby appoint Rabbi David Rosen to sell all of my hametz and to arrange for its valid and legal sale according to Jewish Law.”

You may also sell your hametz online by going to

WWW.BETHYESHURUN.ORG

At the time you sell your hametz, it is customary to make a charitable donation to the Moes Hittim Fund of Congregation Beth Yeshurun for the benefit of others in our congregation and community who may need help purchasing Passover food.

2. **BEDIKAT HAMETZ (SEARCHING FOR HAMETZ)** takes place this year at sunset on Sunday, April 17. At this time we check that all hametz and hametz products are stored out of sight and that our house is ready for the start of Passover.

The search for hametz is traditionally done by the light of a candle, with the assistance of a wooden spoon and feather. It’s a beautiful way for parents and children to go through the kitchen and see that everything is really ready for the holiday.

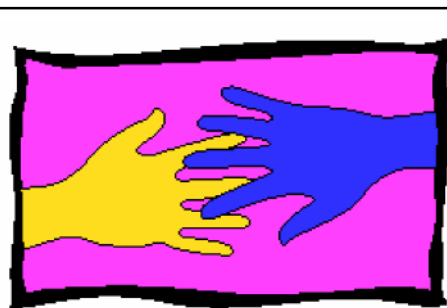

3. **BI’UR HAMETZ (BURNING OF HAMETZ)** takes place no later than 10 A.M. on Monday, April 18. At

TA’ANIT BEKHORIM (SERVICE OF THE FIRST BORN) is on Monday, April 18, 6:45 A.M. in the J.B.Greenfield Chapel. The fast is broken with a brief study of Jewish Law with one of our rabbis, followed by a breakfast. All first-born (including children) are urged to attend this beautiful service.

YIZKOR takes place during Passover Services on the last day of the holiday, on Tuesday, April 26, 9:30 A.M. in the Freedman-Levit Sanctuary (8:30 in the Greenfield Chapel). A Yahrzeit candle should be lit on the night before. It is customary and meritorious to make a donation to the synagogue in memory of your loved one(s).

SEDER PLATES AND HAGGADOT: The Sisterhood Gift Shop has a large assortment of beautiful seder plates, matzah covers, kiddush cups, Passover Haggadot and other objects to make your seder the most beautiful ever.

REMEMBER THE HUNGRY AT PASSOVER: As you clean your home at Passover, remember the poor and hungry in our community by bringing your *unopened* packages of hametz to the synagogue before Pesah begins. All food collected will be taken to the Houston FoodBank.

DO YOU HAVE ROOM AT YOUR SEDER

for a member of our congregation who has no family in town or is new to our community, or for a

college student who cannot go home for the holiday. Please call Rabbi Rosen’s assistant Abby (713-666-1881 or email AROTENBERG@BETHYESHURUN.ORG) to let her know.
