

Welcome to Sisterhood!
August 2009

The Sisterhood of Congregation Beth Yeshurun is a diverse group of women of all ages, backgrounds and interests. We run the gamut from young and hip to seasoned and elegant. Creative programs are designed to meet these varied interests and needs, from scheduling evening and lunchtime events for our working members to carpool timed events for moms with young families. Our programs feature speakers on cancer; politics, Jewish Education and cooking,. Topics vary from investments to fashion show extravaganzas and The Jewish Theological Seminary and our members volunteer in the gift shop, the community and in the synagogue. We are the backbone of the synagogue, always stepping up whenever needed.

Our women help out in the kitchens, prepare care packages for our Jewish soldiers overseas and send holiday care packages to our college students to keep them connected. Sisterhood gives scholarships for Jewish Camps, and gifts to our teens to insure that future generations can visit Israel, while donating major funding annual to our Beth Yeshurun Day School and Religious School. This year we gifted \$500 gift s to ten of our Beth Yeshurun teens towards their trips to Israel. Last year we donated a grand piano to the synagogue and underwrote a leadership program for our Rabbis. Members become life long friends, with a sense of family and community. We are after all a Sisterhood.

To our current members, we thank you for renewing your membership, being involved and enabling us to continue our great projects and programming. Our projects are many and our women make this all possible. For those of you not yet a member, we would love for you to join. No matter what your age or interest Sisterhood has a place for you.
